- Where applicable the 13% HST will be added to all adult programs, rentals and passes.

Program Options

When registering please select one of the two options:

No Rental – Lessons only (includes lift access during lesson time only). Helmet not included.

With Rental – Lessons and full set of rental equipment for use during lesson time only (includes lift access during lesson time only). Helmet included.

Note: If a program does not have a With Rental code listed, it means that rental equipment is NOT available on that day/time.

Lesson Information

Helmets are required for all program participants. See page 91 for details.

- **Participants should follow the program levels to ensure optimal progression. Skipping levels is not permitted as essential development of ski and snowboard skills will be missed.**
- Students progress at different speeds, as a result placement and movement of students may occur during the first three sessions.
- It is strongly recommended that if a lesson is missed (due to personal reasons), the student must practice or schedule a private lesson (at their own cost) to ensure they do not fall behind their group's ability level.
- Earl Bales Ski and Snowboard Centre does **not** offer make up classes for lessons missed for personal reasons.
- All children must be picked up by their parent/guardian at the end of their lesson.
- **There is absolutely no extended time on equipment rental or lift access after the end of a lesson.**
- **Program start times may be altered, cancelled or rescheduled due to weather, snow conditions or instructor availability.**
- **Parent/guardian must stay on the premises during lessons.**

Lesson Tag Pick-up and Equipment Fitting

Upon registering for a program or set of private lessons, every participant must attend one of our "Lesson Tag Pick Up and Rental Equipment Fitting Days". **All participants must have a Lesson Tag in order to participate in their lesson.** This will be issued once a waiver is signed in person by a parent/guardian at Earl Bales Ski and Snowboard Centre. All participants renting equipment must be properly sized for skis or snowboards to help eliminate size changes on the first day of lessons. Parents/Guardian of participants under 18 years of age must be present on this day.

We do not recommend that you wait until the first class to pick up your Lesson Tag or get fitted for rental equipment. You will miss your first class as well as cause a delay for others.

Lessons cancelled by our operation will be added to the end of the regularly scheduled period of lessons.

Private Lesson Bookings

Private lessons will be booked using the same method as Fall/Winter program registrations starting September 10. You can register online, by phone, by TTR or in person. When you book your lessons you have booked for **one** person. If you would like to make this a semi-private lesson (**participants must be same age and same ability level**), please contact the facility after October 7 to make arrangements.

You must attend a Lesson Tag Pick-up and Rental Fitting Day (see page 90). City of Toronto practice for withdrawals, refunds and credits applies to private lesson registrations.

- All private lesson bookings are subject to instructor availability.
